DP's First Pick Is Historic

Impressive Week One Performance by Group

Effective date: 2012-09-11

Never in the PFVCC's first 31 years has a rookie's first pick been a loner pick until DP picked Dallas over New York in the Wednesday night game. Nice Picking DP. Another nod of the cap goes to SR who picked a loner with SF over GB. SR starts the year with a strong opening week performance with 10 wins. KS, shakes up the 8-ball and rolls a 10 win week. Other 10+ game winners include CM(11),DP(10),DR(11),JD(10),KB(10),LF(10),and MS(11). CM,DR and MS share the early lead with DP, JD, KB, LF and SR out by a game. The herd should thin out a little next week. Thursday night game--mark your calendar.
