TB HOME TEAM PICK'S TO FIRST PLACE

SS Picks 12 Winners

Effective date: 2012-09-18

TB puts together quite a week with 14 wins via the HTP rule. TB has a two game lead over SS and a three game lead over KS,BS and LF. A fine performance by BS with 11 wins. MS after a great week one performance with 11 wins manages 8 wins this week to fall to a fourth place tie with JD and CM. MM's 16 wins will keep him looking at everyone ahead of him.

SR attempted a gutty loner attempt with Tennessee but came up 29 points short of a win. By rule, BS had the only loner pick with Miami over Oakland. An interesting PFVCC factlet has BS second on the all-time winners list with 4,188 wins. You may be asking where do some of our past members rank on the list. Can you name these past players?

JB, 3,687 wins, 6th all-time winner /

GH 2,150, 9th /

Be the first to correctly name these members on the message board and win a prize at the upcoming Awards Banquet BBQ.

Yours in Football,
