# DP's 10 wins Leads the Group

## Week Three Filled with Controversy

Effective date: 2012-09-25

While DP picked 10 winners the rest of the membership struggled to play 500 ball. Replacement refs causing havoc on the field and in the PFVCC. Too bad for everyone that picked GB.

Congratulations to DR with his TEN loner pick. BD almost pulled off the Loner of the week with MIA but lost that game in overtime. DP moved from 11th place last week to 4th this week while defending champ SS with a week low 4 wins dropped seven spots to ninth place. MM quietly with his 8 wins moved up 4 places to tie with JP and DR.
