DR, JP, BS Win Week Six

MIP Hits Members Hard

Effective date: 2012-10-16

DR, JP and BS laughed all the way the bank with there nine wins but the rest of the group isn't laughing. Week six highlights the power of the MIP as some members were lulled into one of the worst weeks in the PFVCC history averaging six wins each this week. Six of the 15 members played better than 50%.

TB scatched out seven wins and increased his lead by one game. DP took over second place with DR and LF tied for third. LF was able to secure third position with his Loner Pick (BUF over MIA).

Game Thurday.
