IT’S A SIX WAY

Membership Has Big Week Averaging 11 Wins Each

Effective date: 2013-09-16

BD and CM hold onto the top spot but are joined by four others, BS (11 wins this week), DP (12), MM (11) and SR (12). KB, KS and TB find themselves out by one game.

KB and TB are the weeks big winners with 13 wins each. DP, SR, SS and JP each win 12 games. Twelve of the 16 members are either in first or out by only two games. Defending Champ, LF, is finding it hard getting started, with nine wins this week, he finds himself turning out the lights in the basement.

In the gutty pick category, BS hits the year’s first Loner Pick with Miami over Indy at Indy! BD picks PIT as a Loner but comes up short. The Boys in Research are checking when PIT was ever a Loner Pick attempt. BD is three wins away from her 1,000th career win. KS with his 11 wins hits his 4,000th career win and finishes the week at 4,006, fourth on the all-time list.

Here comes week three, remember Thursday’s game, and let’s see if the log jam breaks up.
