KS and CM Pull Within One of BS

Membership has Outstanding Week

Effective date: 2014-11-24

You know it’s a tough week when you win 11 games and lose ground—just ask BS. BS has been keeping challengers at bay throughout the season but perhaps the MIP and stress of a long season is taking its toll on the defending champion.

KS goes 13-2 for the week and picks up two games on BS while leap frogging others to secure a second place tie with 2006 champ CM. CM tallies 12 wins for 119 wins year to date. With five weeks left it should prove to be a fantastic finish with five members within 3 games of first place.

JP scores 13 wins made possible perhaps with the Loner pick of the year with OAK over KC. JP picks up two games in the standings. MS and MM get atta boys with loner attempts with TB and MIA respectively. JD stays even for the week remaining out by two games while LF loses ground now out by three.

SR’s 12 wins allows him to move out of the basement and the new tenant is MM with eight wins this week. DR going into Monday night was 13-0 but went 0-2 for Monday. Thirteen game winners included DR, JP, JR, KB and KS. Members going 12-3 include CM, SR, SS and TB.

It’s Thanksgiving Week. There is much to be thankful for with our families and prayers being answered. Three games this week. Enjoy the turkey and Thursday games.

Yours in football
