

CM Extends Lead

Championship Up for Grabs In Final Week

Effective date: 2014-12-22

CM picks 10 winners in week 16 to extend his lead to three games over KS and BS. When is a 21 point margin not enough? Game #226 when SF lead SD and SF saw its lead disappear along with KS and BS's hope to be tied with CM going into Sunday action. Heart breaker! Moving up a spot and in contention for week 17 action is JD. JD's nine wins this week put him in a three way tie for second with KS and BS. LF is hanging in there out by 4 games going into the final week. We have five members going into the final week with a chance to win the 34th Championship.

A couple of atta-boys to KB and DP with their respective ATL and CIN Loner picks.

Remember all member picks in the final week are not disclosed until a champion is named. Check the website for the exciting announcement.
