The Road To Glory Begins Anew

Another Season, Another Opportunity to Etch Your Name Into PFVCC History

Effective date: 2026-08-14

Welcome back, membership! The offseason is quickly coming to a close, which means the 2026-2027 PFVCC season is upon us!

A new season means new storylines, new heartbreak, and-if history has taught us anything- at least one team convinced they're winning it all by week 3. But this year it also brings something new, and that is the inaugural year of the new and improved PFVCC website! It's got all the bells and whistles, so peruse and get familiar with all that it has to offer! The website may look different, but the mission remains unchanged...Pick more winners than the field and hoist the trophy at seasons end!

I look forward to recapping with you week to week, and as always, we are in for a wild ride! Buckle up and get yourself ready for a great season!

Your President,

LF
